

# Beatrice Riviere

(b. 1971)

Beatrice Riviere earned her PhD from the University of Texas at Austin (2000). She is Professor in the Department of Computational Applied Mathematics and Operations Research at Rice University. Riviere has authored over 100 scientific publications in numerical analysis and scientific computation as well as a book with over 1200

citations. She is a 2021 SIAM Fellow and a 2022 AWM Fellow. She was elected to SIAM's Board of Trustees for a two-year term (2021). Riviere is currently President of the SIAM TX-LA Section. She has served as Chair and Secretary of the SIAM Activity Group on Geosciences. Riviere is an associate editor for two SIAM journals and on the editorial boards of two other journals.

This poster is part of the EvenQuads project, which combines innovative mathematical card games with learning about amazing women mathematicians. The project celebrates the 50th anniversary of the Association for Women in Mathematics.
