- Suburban (can see your neighbor's house but you have a yard)
- Urban (apartment, condo with shared green space or no green space)

5. How would you describe what you see where you are watching for birds? *

*Mark only one oval.*

- Many tall (higher than your house) trees
- 1-2 tall trees
- No trees but shrubs or other landscaping
- No trees or shrubs but grass or other ground-cover is visible
- Man-made surface with no grass, trees or shrubs

6. At your bird viewing location, describe the food and water availability (Select all that apply). *

*Check all that apply.*

- Food provided by a bird feeder (any kind of feeder)
- Bird bath provided
- Natural water source (river, stream, lake, pond, spring, ocean) within view
- Other
7. On which consecutive weekdays will you observe birds? (remember, these exact same days much be used each week) *

*Mark only one oval.*

- weekly on Friday and Saturday
- weekly on Saturday and Sunday
- weekly on Sunday and Monday
- weekly on Monday and Tuesday
- weekly on Tuesday and Wednesday
- weekly on Wednesday and Thursday

---

8. For Day 1 of 2, at what time of day did you observe birds? (Remember, this was a 15 minute session) *

*Mark only one oval.*

- Early morning (between sunrise and 9am)
- Late morning (between 9am and midday)
- Early afternoon (between midday and 4pm)
- Late afternoon/evening (between 4pm and sunset)

---

9. For Day 1 of 2, what was the weather like when you watched birds? *

*Mark only one oval.*

- Rainy
- Overcast but no rain
- Partly cloudy
- Sunny
10. For Day 1 of 2, what was the temperature when you watched birds? Please enter this as a Celsius measurement. *

11. On Day 1 of 2, how many total different types (species) of bird did you observe? *

12. On Day 1 of 2, how many total birds did you observe (all types/species combined)? *

13. On Day 1 of 2, what was the most common species of bird (Try your best, and use the full, official common name) *

14. On Day 1 of 2, what was the most commonly observed behavior across all your observations? *

Mark only one oval.

- Feeding
- Preening/cleaning
- Singing/calling
- Fighting
- Perching
- Soaring/flying
- Other
15. For Day 2 of 2, at what time of day did you observe birds? (Remember, this was a 15 minute session) *

*Mark only one oval.*

- Early morning (between sunrise and 9am)
- Late morning (between 9am and midday)
- Early afternoon (between midday and 4pm)
- Late afternoon/evening (between 4pm and sunset)

16. For Day 2 of 2, what was the weather like when you watched birds? *

*Mark only one oval.*

- Rainy
- Overcast but no rain
- Partly cloudy
- Sunny

17. For Day 2 of 2, what was the temperature when you watched birds? *
